

eOrdering Quick Start Guide

Please follow these steps to help ensure a successful electronic order.

1. Log onto Quest Integrated Solutions: <https://www.questdiagnostics-qis.com/Login.asp>. The home page includes an eReq DEMO VIDEO for online ordering.

2. Next, click on the ORDERING TAB (highlighted in green below).

- **Account Information:** Your account information will automatically display. If you have multiple account numbers, please select the appropriate account information from the drop down.
- **Donor/Applicant Information:** Enter all required donor information marked with a red asterisk (*).
- **Test Information:** Enter all required information marked with a red asterisk (*).
 - The Order Expiration date will automatically display a 24-hour time period. Please select your time zone from the drop down menu. If you need to extend the Order Expiration, you can change the date and time fields.
 - Enter your information in Collection Site, Specimen Type, Test to be Performed and Collection Options fields. (Note: In some cases, the collection site will display.)
 - Click the "Next" button to proceed with your order.

3. **Confirmation of your order:** Once the order summary displays, verify that all information is correct. If so, click the "Order" button to submit and click the "here" link to print the authorization form.
