

Amy
is there.

“One-size-fits-all is not our approach. I make sure a unique solution is in place for each new challenge.”

I started my career at Quest Diagnostics in the customer service department and continue to leverage that experience in my Account Manager role. I am my client's advocate, and it's my job to ensure that things get done on their behalf.

Versatility and flexibility are essential skills to employ as we help clients to develop and maintain a drug testing program that meets their specific needs. That's how we provide service and support and that is why our clients choose us to be their laboratory partner.

Every day provides a unique opportunity to create an exceptional client experience. It's an ongoing challenge. And I love it.

Amy Bower
